New York, July 14.—After occasional re-

sistance to the decline, prices of stocks sold

of sharply late this afternoon to practically

the low level of the year, and the market

closed active and weak, with the declining

tendency apparently in full force. The

sharp recovery in the latter part of yester-

day and a further advance in London this

morning aroused some hopes that the fall

in prices was ended, temporarily at least.

But the slight recovery was not enough to

counteract the heavy selling, and while there

were occasional checks to the decline, there

was no further attempt of consequence

made to put up prices. The selling was

entirely based on general considerations

and was chiefly interesting for its sources,

which, however, remained much of a mys-

tery. Who it is that is selling such tremen-

dous amounts of stock at such tremen-

dous prices for two years past, is a subject

of most earnest surmise. The interest at-

taching to the subject causes it to be sur-

rounded with a veil of mystery and rum-

or, which flies back and forth not only

within the Wall Street circle, but over the

cables from continent to continent.

FACTS NOT CLEAR.

Authoritative and reliable information on

the subject is not to be had, but the vol-

ume and the method of the liquidation put

STEADY.

Outside Interest Is Moderate, but  
There Is No Marked Pres-  
sure to Sell.

Yesterday's session of the local stock ex-  
change was again dull, with interest main-  
ly in transactions and a few of the favorite  
banking issues. Transit had some support  
at the opening at \$1.50, but later was easy,  
and the close was at \$1.25, Monday's final  
quotation. Preferred was better, with sales  
of small lots at \$1.25, and the 4 per cent bonds  
were taken at \$1.15 and \$1.12 1/2.

Mississippi Valley Trust continued on the  
national at \$1.15 and \$1.12 1/2. Third National  
at \$1.15 and \$1.12 1/2, a net loss  
of half a point for the day.

In the miscellaneous list the only active  
issue was National Candy first preferred,  
which was taken at \$1.15, and later wanted  
at \$1.20.
